

## **CORKAGE POLICY**

*Thank you for bringing a special bottle of wine to our restaurant to enjoy!*

*We take a tremendous amount of pride in procuring the wines presented in this list. Our vast selection, fair pricing structure, and special treatment in serving the wines is something we hope sets us apart and influences you to order wine from our list . We also understand that there may be a special or sentimental wine that you may want to bring from your own collection to enjoy in our restaurant. We have a few simple requests when it comes to opening a bottle that you have not purchased from our list:*

*\* Our corkage fee is \$25 per 750ml sized bottle. This fee is not apart of gratuity.*

*\* If you order a bottle out of this book, we will waive your corkage fee on a one for one basis. We do not waive corkage fees otherwise.*

*\* Wines must not already be presented on this list, regardless of vintage variation.*

*\* We reserve the right to refuse corkage service for “commodity wines” sold in the local grocery store.*

## 1921 CELLAR SELECTIONS

*Wine selections from our "reserve" cellar are designated in the green boxes throughout the list.*

**“This collection is most likely the finest wine collection in the United States and one of the greatest in the world”**

*-Don Zacharia, Owner “Zachys Wine Auction”*

*Much like the finely curated works of art in the Modernism Museum Collection, the “1921 Cellar Selections” have been meticulously curated and held often for decades. Ideal conditions have been maintained in terms of provenance, temperature & humidity. As art is meant to be enjoyed, our philosophy on great wine is that it is meant to be enjoyed with great food & great friends.*

*- Adam Crane, Wine Director*

*Due to the boutique nature of the wines presented in this list, quantities are limited.*
